Caloundra Public Art Trail

Discover some of the region's best public artworks through the laneways and streets of Caloundra

The Public Art Trail is an approximately 1.8km loop with 15 artworks to discover, highlighting local history, colourful stories and contemplative murals and sculptures by local and international artists.

To walk the Public Art Trail, allow up to one hour, or more to stop and enjoy a coffee or refreshment in one of the local cafes along the way!

To find out more about each work as you explore:

1. Download the free Sunshine Coast Council app

2. Select > Things to Do

3. Select > Arts & Heritage

4. Select > Sites, check Public Art and Apply Filters

5. Use your fingers to zoom to your location on the map. Each purple pin indicates an artwork.
